Call Bay & Ocean	<p>CAPTAIN Brian Reinfandt - United States Coast Guard Licensed Captain 26 foot Grady White with Twin 200 Yamaha outboards.</p> <p>Visitors who come to the Florida Keys looking for great water adventures will not be disappointed when they hook up with me. I know the pristine blue waters of the Keys like the back of my hand. Having been raised on a small 12-mile long island that is Longboat Key, I grew up surrounded by water. With this much proximity to the enticing ocean waves, I developed a passion for anything on the water: be it fishing, diving, sailing, boating, snorkeling and many other varied water sports activities.</p> <p>I have 30 plus years of extensive commercial fishing, charter fishing and diving experience stretching around the Florida panhandle, offshore and inshore Gulf of Mexico, Florida Keys, Atlantic ocean, the Bahamas, the Dry Tortugas and the Philippine islands. I have spent the last 5 years mastering the art of daytime sword fishing with over 150 daytime fish caught. I spend my days fishing, teaching fishing techniques, catching bait, electronic equipment and boat handling or just simply enjoying and sharing the sea with whoever wants to explore what the Florida Keys waters offer.</p>
